

**Cardibless**  
**Omega 3 Fatty Acid, Co-enzyme Q10, Grape Seed Extract,**  
**Garlic Oil, Lecithin, Multivitamin & Minerals Soft Gelatin**  
**Capsules**

**COMPOSITION:**

<b>Ingredients</b>	<b>Serving Per Softgel</b>
Each soft gelatin capsule contains	
Omega 3 Fatty Acid Containing	
Eicosapentaenoic Acid (EPA)	90 mg
Docosahexaenoic Acid (DHA)	60 mg
Co-enzyme Q10	10 mg
Beta Carotene (Vitamin A)	10 mg
Grape Seed Extract	25 mg
Garlic Oil	200 mg
Lecithin	20 mg
Vitamin C	30 mg
Vitamin B1	5 mg
Vitamin B2	0.8 mg
Vitamin B6	5 mg
Folic Acid	250 mcg
Vitamin D	20 mcg
Vitamin B12	1 mcg
Zinc	
(Zinc Sulphate Monohydrate)	12 mg
Manganese (Manganese Sulphate Monohydrate)	4 mg
Copper (Copper Sulphate Pentahydrate)	1.5 mg
Chromium (Chromium Picolinate)	50 mcg
Selenium (Sodium Selenate)	80 mcg
Excipients	q.s

**OTHER INGREDIENTS:**

White Beeswax(901), Hydrogenated Vegetable Oil, Soya Lecithin(322), Dibasic Calcium Phosphate, Gelatin(428), Glycerol, Sorbitol Solution (70%) (Non Crystallising), Purified Water, Preservatives (320,321,218,216), Contains Permitted Natural Food Colour (133,110,124)

The human heart is one of the hardest-working organs in the body. Heart plays and important part in being healthy. It keeps all the blood in circulatory system flowing. Scientific evidence, over the past decade, has shown that the average balanced diet is deficient of certain specific vitamins, minerals, trace elements and phytochemicals. There is growing evidence that many of these deficiencies could be involved in the initiation and progression of degenerative diseases especially relating to cardiovascular disease. Methylation and prevention of oxidation have been shown to be the two biochemical processes which play a significant role in cancer and cardiovascular disease risk reduction.

Cardibless Softgel Capsule is a unique, premium blend of heart supporting ingredients including Omega-3 EPA / DHA with Co Q10, Grape tea extract, Garlic, Multivitamins & Minerals; to contribute to support normal heart function, circulation and cholesterol levels.

Omega-3 EPA / DHA

Cardibless Softgel Capsule provides omega-3-fatty acids which is a rich natural source of EPA and DHA. These omega-3-fatty acids work synergistically in the body and contribute to the maintenance of normal blood pressure and triglyceride levels.

Coenzyme Q10

Cardibless Softgel Capsule provides Coenzyme Q10 (ubiquinone) is a mitochondrial coenzyme that is essential for the production of adenosine triphosphate (ATP), the body's form of chemical energy. Helps by improving heart function, increasing ATP production and limiting oxidative damage.

Grape seed extract

Grape seed extracts have flavonoids and antioxidants that can lower the bad cholesterol (LDL) in body & prevent oxidative damage to the cell, tissue in the body

Garlic

Garlic works through various mechanisms to achieve this favourable effect including reduction of serum lipids and blood pressure levels, inhibition of platelet aggregation, and increasing fibrinolytic

antioxidant activity.

B-Complex Vitamins (B1/B2/B6/B9/B12)

Contributes to the normal function of the heart. Essential in numerous biochemical pathways involving the nervous system, red blood cells, the immune system, protein metabolism, homocysteine metabolism, and the production of energy

Minerals (Zn/Mn/ Cu/Cr/Se)

Potent antioxidant properties which help to neutralize free radicals that may accelerate aging & contribute to the development of chronic diseases like heart disease.

**INDICATIONS:**

Cardibless Softgel Capsule helpful for:

- Maintaining cholesterol levels
- Supporting the cardiovascular system
- Improving circulation
- Maintaining heart strength

**DOSEAGE:**

**Adult:** One capsule per day after meal or as directed by a healthcare professional.

**CONTRA-INDICATIONS:**

Hypersensitivity to any of the ingredients. The safety in pregnancy and lactation has not been established.

**WARNINGS:**

Do not exceed the recommended dose, as this may cause vitamin toxicity.

**SIDE-EFFECTS AND SPECIAL PRECAUTIONS:**

The active ingredients in Cardibless Softgel Capsule are nutrients normally available in the diet.

There is very little observed and documented evidence of undesirable effects with these ingredients, in the doses recommended for the product.

However, as with almost all pharmaceutical products, the chance of a hypersensitivity reaction to any of the active ingredients or excipients, though remote, cannot be completely ruled out.

**KNOWN SYMPTOMS OF OVERDOSAGE AND PARTICULARS OF ITS TREATMENT:**

Overdosage of vitamins can have an adverse effect on health. It is not advisable to exceed the recommended dosage unless recommended by a healthcare professional.

**SHELF LIFE:**

24 Months

**STORAGE:**

Store below 30°C, at dry place. Protect from light. Keep out of reach of children

**PACK SIZE:**

15 Softgel capsules are packed in Alu PVC Blister such 2 blisters are packed in carton along with pack insert.

**MARKETED BY:**

**VIESAINE PHARMA PVT. LTD.**
