- ✓ 400+ Ready Dossiers available in CTD/ACTD Format

## Business Model

**U.S. FOOD & DRUG  
ADMINISTRATION**

**ISO 9001:2015  
CERTIFIED**

**WHO & GMP  
CERTIFIED**

**WELL RESEARCHED  
FORMULATIONS**

**GOOD QUALITY  
WHOLESOME INGREDIENTS**

**CATER TO  
SPECIFIC NEEDS**

Cian Healthcare Ltd. provides outsourcing solutions to the Pharmaceutical industry. The company has set up its state of the art and dedicated facility to manufacture tablets, capsules, liquid oral, and ointments/creams/lotions/cosmetics in Roorkee, India. We provide quality products and services that meet National and International Standards. The facility has been designed as per the latest regulatory standards and has undergone audits by several reputed regulatory agencies.

**PLANT:** Approx. 80,000+ sq. ft. with capacity to manufacture 150 million tablets, 20 million capsules, 1 million liquid orals, 50 million ointments/creams/lotions/cosmetics(per month).

**TEAM:** We have operation and marketing office situated at Pune, India. At manufacturing facility, we have team of QA/QC/Production with more than 10 years of industry experience at WHO-GMP plant respective to their domain.

## **BUSINESS MODEL:**

### **Domestic business model offers:**

- Drugs are developed by aiming at both innovation and quality. We devote a reasonable part of our revenue to R&D activities in order to provide unique and new products based on technological innovation.
- We welcome all MNCs and Indian small to mid-size companies offering our diverse portfolio of more than 500 products.
- Audited by reputed healthcare companies- to name a few- Intas Pharmaceuticals, Ajanta Pharma, Cadila Pharmaceuticals, Anglo-french drugs & industries Ltd., Lyka Labs Ltd, Aurobindo Pharma, Wallace Pharmaceuticals, Koye Pharmaceuticals Pvt Ltd., Eris Lifesciences, Shreya life sciences, HLL, Medley Pharmaceuticals, Dr. Morepen, Wynclark, Sava Healthcare Ltd., Vivaldis Health And Foods Pvt. Ltd., Alembic Pharmaceuticals Ltd.

### **International business model offers:**

- If approval in a new country is needed for our customers, we have a special team to work on that and keep our facilities always audit ready so that an audit can be triggered as soon as possible.

**ACCREDITATION:** WHO & GMP certified, ISO certified, U.S. Food and Drug (Nutra), GLP certified, Veterinary Product license.

**MISSION:** To provide cordial in-house environment having strong quality culture, based on team- work, professional ethics, and progressive learning.

**GLOBAL VISION:** To provide our products and service globally including Europe to facilitate the access of common person to the high tech life-saving drugs wherever we can approach.

## **CORE VALUES**

**Customer Focus:** Serving customer is our 1<sup>st</sup> priority

**Innovation:** New product development to serve pharma community

**Accountability:** Taking responsibility for our actions, and our results

**Notable:** Creating notable position in Healthcare Industry
