**Annexure 1**  
**Policy For Determination Of 'Legitimate Purpose'**

1. In terms of the Regulations, the term “**legitimate purpose**” is clarified to include sharing of UPSI in the ordinary course of business by an insider with the Company’s partners, collaborators, lenders, customers, suppliers, merchant bankers, legal advisers, auditors, insolvency professionals or other advisers or consultants, provided that such sharing of UPSI has not been carried out to evade or circumvent the prohibitions of the Regulations.
2. The Regulations require the board of directors of the Company to formulate a policy for the determination of 'legitimate purpose', in line with the guidance provided in the Regulations. The assessment of whether the sharing of UPSI in a particular instance would be tantamount to 'legitimate purpose' would entirely depend on the specific facts and circumstances of each case. Accordingly, this policy only sets out the principles that should be considered while assessing if the purpose for which UPSI is proposed to be shared is “legitimate”.
3. Primarily, the following factors should be considered for assessing whether the purpose for which UPSI is proposed to be shared is “legitimate”:
  - a) whether the sharing of such information is in the ordinary course of business of the Company;
  - b) whether information is sought to be shared to evade or circumvent the prohibitions of the Regulations;
  - c) whether sharing the information is in the best interests of the Company or in furtherance of a genuine commercial purpose;
  - d) whether the information is required to be shared for enabling the Company to discharge its legal obligations; and
  - e) whether the nature of information being shared is commensurate with the purpose for which UPSI is sought to be disclosed.
4. It is clarified that in the event there exist multiple purposes for sharing UPSI, each purpose will be evaluated based on its own merits, in line with the aforementioned principles, along with the provisions of the Code.
5. The recipient of UPSI shall be informed of the following, by way of written intimation and/or contractual agreement, such as a confidentiality agreement or non – disclosure agreement, that:
  - a) the information being shared is UPSI and that the Company is the exclusive owner of such UPSI;
  - b) upon receipt of UPSI, the recipient would be deemed to be an Insider and subject to the provisions of the Regulations and the Code;
  - c) the recipient must always maintain confidentiality of the UPSI;
  - d) the recipient may use the UPSI only for the approved purposes for which it was disclosed;
  - e) the recipient should provide a written undertaking that he/she/it shall not trade in the securities of the Company while in possession of the UPSI; and
  - f) the recipient must extend all cooperation to the Company, as may be required in this regard.

6. This policy is subject to review by the board of directors of the Company as and when deemed necessary. The board of directors of the Company may amend this Code from time to time, depending upon the requirements of the provisions of the Regulations and other applicable laws.
7. Notwithstanding anything contained in this policy, the Company shall ensure compliance with any additional requirements as may be prescribed under any laws/regulations, either existing or arising out of any amendment to such laws/regulations or otherwise and applicable to the Company from time to time. Any change/amendment in applicable laws with regard to the determination of legitimate purposes shall be deemed to be incorporated in this policy by reference, and this policy shall be deemed to have been amended and revised accordingly.
