WELL RESEARCHED
FORMULATIONS

Cian Healthcare Ltd. is a pharmaceutical company providing comprehensive contract manufacturing, outsourcing, and export solutions to pharmaceutical and healthcare companies in domestic and international markets. The company has a state-of-the-art manufacturing facility in Roorkee, India, with capabilities for manufacturing Tablets, Capsules, Liquid Orals, Ointments/Creams/Lotions, Food Supplements and Veterinary Products. We are committed to providing quality products and services that meet national and international standards.

PLANT:

Approx. 80,000+ sq. ft. manufacturing facility with a monthly capacity of 50 million tablets, 15 million capsules, 10 million liquid orals, and 12 million ointments/creams/lotions.

BUSINESS MODEL:

Domestic Business Model Offers:

- We provide contract manufacturing and outsourcing solutions to the pharmaceutical industry.
- We work with well-known and reputed Indian pharmaceutical companies across various segments.
- We welcome all MNCs and Indian small to mid-size companies, offering our diverse product portfolio and manufacturing capabilities.
- Our focus on innovation, quality and product development enables us to cater to the evolving requirements of the pharmaceutical market.

International Business Model Offers:

- With strong manufacturing expertise and a commitment to innovation and quality, Cian Healthcare Ltd. exports its own pharmaceutical formulations to various global markets.
- We have extensive experience in regulatory submissions and dossier preparation in accordance with CTD, ACTD and applicable MOH guidelines for different international markets.
- The company exports its quality formulations to countries like Libya, Kenya, Burundi, Cambodia, Sri Lanka, Nepal, Bhutan, Bolivia, Haiti, Lesotho, Myanmar, UAE, Tajikistan, Afghanistan, Kyrgyzstan, Guatemala, Côte d'Ivoire, Benin, Senegal, Guinea, Congo, Togo, Guyana and Turkmenistan.
