4.1 Deemed Material Events — Para A of Part A of Schedule III (No Materiality Filter)

Events specified in Annexure A to this Policy are deemed to be material events and shall be disclosed to the Stock Exchange without application of any criteria for materiality. These are mandatory disclosures, and no discretion exists as to whether such events are material.

4.2 Materiality-Based Events — Para B of Part A of Schedule III (Materiality Filter Applicable)

Events specified in Annexure B to this Policy shall be disclosed by the Company only upon application of the criteria for materiality as defined in Clause 5 of this Policy.

4.3 Other Events/Information

This Policy shall also apply to events or information not indicated in Annexure A or Annexure B, but which may have a material effect on the Company. In case of any such event, the Compliance Officer or such other person authorised by the Board shall evaluate the same and make appropriate disclosures.

4.4 Subsidiaries

The Company shall disclose all events or information with respect to its subsidiaries, if any, which are material to the Company.

4.5 Guidance from ISN on Reg. 30

The Company shall follow the ISN on Reg. 30 for guidance on: (a) timing of when an event/information can be said to have occurred for disclosure purposes; (b) quantitative thresholds applicable to specific events; (c) classification of regulatory/enforcement authorities for the purpose of fines and penalties disclosures; and (d) cumulative threshold determination for ongoing litigations and guarantees.

4.6 Website Archival

All disclosures made under this Policy shall be hosted on the website of the Company for a minimum period of five (5) years or as per the Policy on Preservation & Archival of Documents or any other similar policy if any, whichever is longer.

5. CRITERIA FOR DETERMINING MATERIALITY OF EVENTS OR INFORMATION

Events/information specified in Annexure B (Para B of Part A of Schedule III), as well as any other event not covered under Annexure A, shall be considered material in nature as per Regulation 30(4) of the SEBI Listing Regulations if it satisfies any one of the following criteria:

5.1 Qualitative Criteria

- (a) The omission of an event or information, which is likely to result in a significant market reaction if the said omission came to light at a later date. For this purpose, significant market reaction shall be assessed against the 'scrip price' as per parameters provided in the ISN on Reg. 30; or
- (b) The omission of an event or information, which is likely to result in discontinuity or alteration of event or information already available publicly.

5.2 Quantitative Criteria

The omission of an event or information, whose value or the expected impact in terms of value, exceeds the lower of the following:

- (a) Two percent (2%) of turnover, as per the last audited consolidated financial statements of the Company;
- (b) Two percent (2%) of net worth, as per the last audited consolidated financial statements of the Company, except in case the arithmetic value of the net worth is negative; or
- (c) Five percent (5%) of the average of absolute value of profit or loss after tax, as per the last three audited consolidated financial statements of the Company.

Where consolidated financial statements are not required to be prepared by the Company, the thresholds shall be computed on the basis of the last audited standalone financial statements of the Company.

The ISN on Reg. 30 shall be referred to determine the appropriate quantitative thresholds applicable to specific events.

The quantitative thresholds shall be computed annually based on the latest audited financial statements.

5.3 Residual Discretion

In case none of the above criteria is applicable, an event or information may be treated as being material if in the opinion of the Board of Directors or the Compliance Officer or such other person authorised by the Board, such event or information is considered material.

5.4 Timing of When an Event/Information Occurs

The Company may face the question as to when an event/information can be said to have 'occurred' for the purpose of disclosure. The following guidance shall apply:

- Where the event requires Board/Shareholder approval: the event shall be said to have occurred upon receipt of Board approval. For price-sensitive events requiring shareholder approval (e.g., dividend), disclosure shall be made upon Board approval, pending shareholder approval.
- In-principle or exploratory approvals: where the Board grants only in-principle approval or approval to merely explore an option (which is not a final approval), the same shall not require immediate disclosure under Regulation 30.
- Events not requiring approval (e.g., natural calamities, disruptions): the event shall be said to have occurred when the Company becomes aware of it, or as soon as the Compliance Officer or such other person authorised by the Board, ought to have reasonably come into possession of the information in the course of their duties.
- Commencement of disclosure timelines: the timelines under Regulation 30(6) shall only commence from the occurrence of the event or information, or from the time the Compliance Officer of the Company or such other person authorised by the Board, becomes aware of, or ought to have reasonably become aware of, such event or information in the course of performance of duties, as applicable.

5.5 Reasonable Delay

The Company shall endeavour to make all disclosures within the timelines prescribed under Regulation 30 of the SEBI Listing Regulations. In the event of any delay in making disclosure beyond the prescribed timeline, the Company shall, along with such disclosure, provide a specific explanation for the delay.

Any such delay shall not be treated as a relaxation of the disclosure obligation and shall be assessed strictly in accordance with the SEBI Listing Regulations, the Industry Standards Note on Regulation 30 and other applicable guidance issued by SEBI and/or the Stock Exchange(s), from time to time.

For assessing the reasonableness of delay, the Company may consider, inter alia, the following factors, as recognised under the Industry Standards Note on Regulation 30:

- (a) occurrence of a force majeure event;
- (b) time taken for completion of a prima facie assessment of materiality in cases involving orders, fraud, claims, actions or similar matters; and
- (c) information or events relating to other persons or entities, where the Company is not directly involved and requires a reasonable time to verify the information.

The reasons for delay shall be appropriately documented by the Compliance Officer or such other person authorised by the Board.

6. AUTHORISATION — COMPLIANCE OFFICER OR SUCH OTHER PERSON AUTHORISED BY THE BOARD

6.1 Authorisation

The Board of Directors hereby authorises the Compliance Officer, and/or such other person(s), to determine the materiality of events or information and to make the requisite disclosures to the Stock Exchange(s) in accordance with the provisions of the SEBI Listing Regulations and this Policy.
